A typical day!

Sunrise over Newgate

The kennels and catteries, with a resemblance of a large village, are set in 16 acres of beautiful Cheshire countryside.

Dawn Chorus

Our dedicated staff (numbering over 30) start arriving for work from 7am. Above are Rachael, Melissa, Lisa & Michael.

Good Morning

It's 8am and Holly and Mac are enjoying the first of their 3 daily outings into the large gravel exercise runs.

Medication Time

A number of our guests require ongoing medication. Jenny is pictured above in front of our drugs cabinet.

Diabetics Welcome.

Non-intravenous injections are sometimes required. Here, Clare and Zsuzsa prepare to inject Sammy with her insulin

Lucky Drops

A senior member of staff is responsible for the daily medication rounds. Marie & Will are about to apply Lucky's eye drops.

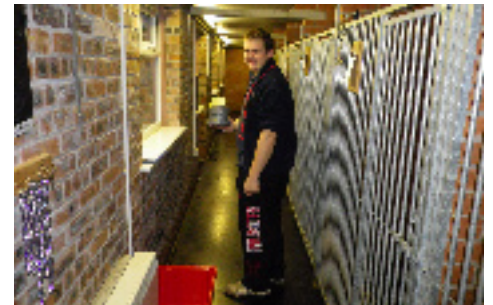

Full English

Sarah supervises Thomas & Matthew in our kitchen. All meals are individually prepared to each pet's diet card..

Special Delivery

The food is boxed up and transported to each block. Jasper (in his covered patio) greets Courtney and Michael.

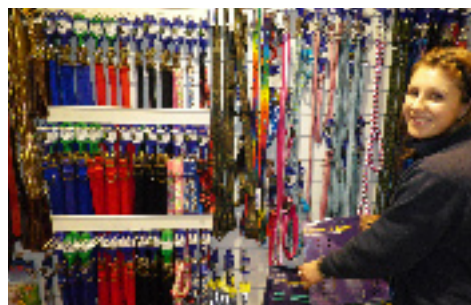

Room Service

Karl serves breakfast. All our accommodation is heated and with each room facing a window pets have a view to remember!

Fresh Supplies

Our weekly delivery from our wholesaler means all hands on deck. Here Phil H, Tim & Phil B bring in the new stock.

On Display

Jenny is pictured checking the merchandise in our shop. We always carry a wide range of food, beds, toys, collars & leads.

Hello!

Our welcoming reception with live coverage on our TV monitors. Here Phil B greets 2 new arrivals, William & Mabel.

Bath Time

Vicky is giving Candy the spa treatment. Our modern facilities allow us to bath & groom all breeds of dogs.

The Perfect Cut

We offer much more than a wash & blow dry, a full trim perhaps? Clare is pictured here with Bonnie.

Feline Pampering

Grooming takes place every afternoon for our feline guests. Gemma is pictured here with Lily in her en-suite patio..

Congratulations!

We believe staff training is essential. Sophie has just achieved her Animal Care level III & Phil P level III, Management.

Mower Man

With 16 acres, Phil H is pleased that his mower is a ride on. Lee & Honey do appreciate the freshly mown paddock.

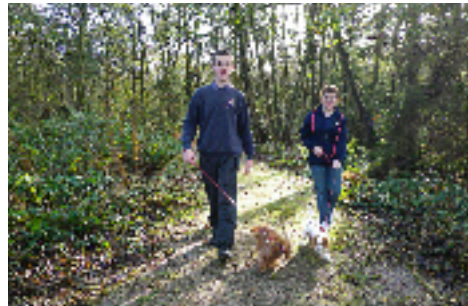

Cleanliness is next to....

Or in this case Charlotte is next to Luke! Hygiene here is paramount, with all rooms being cleaned every day.

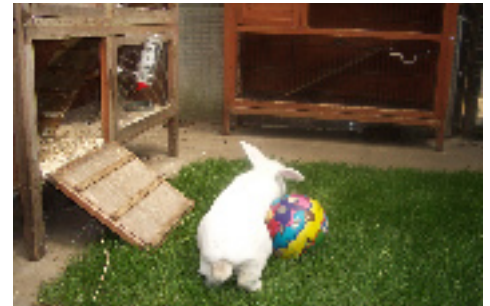

Playtime

A must for every afternoon. Pictured here are Paul with Luna and Stuart with Max, all having fun...

Woodland Walk

Within the kennel's grounds are some beautiful walks, here Rose & Gaia lead Josh & Chloe on their daily jaunt

Bunny Ball

Our small animal room & gardens can accommodate all types of small animals, including hens! Angelina is football crazy.

It's been a long day

Our resident lap dog Tuppence is a great help, but it's down to Pat, assisted by Carlyne who keep the admin. up to date.

Bedtime Bonio

No bed time book but a bedtime Bonio from Emma. Chocolate is more than happy snuggled on the kennels VetBed.

Birthday Boy

Today's "highlight of the day" has to have been the celebration of Barney's 1st birthday (pictured centre with Gemma).

DON'T FORGET!

- Kennel Cough Vaccine (for dogs), this is now required throughout the year.
- Annual Vaccinations (for all Animals), to be up to date.

Whilst we advise 8 weeks notice for bookings, we cannot guarantee accommodation during these extra busy times.
